OVERVIEW

Business strategy execution depends upon developing and implementing the best solution. Success however, relies upon basing the solution on the right requirements, drawn from a sound and robust Business Case.

This one day program will introduce participants to the principles of writing an effective Business Case, within the context of an interactive course driven by a case study.

WORKSHOP OBJECTIVES

- This workshop will provide participants with a working knowledge of the principles of writing an effective, comprehensive and compelling Business Case.
- The course is driven by participation in a case study, promoting immediate workplace transference.

TARGET AUDIENCE

This workshop is designed for:

- Business Analysts
- Project Managers
- Project Office Managers
- Managers and Team Leaders
- Consultants

DELIVERY

All workshops may be conducted onsite or at our premises, with experienced facilitators providing group and/or individual instruction.

Training is provided through hands-on learning, relevant exercises and the provision of a participant handbook containing training materials.

Our participants are also entitled to complementary telephone consultation/advice within 60 days of workshop completion.

ASSESSMENT/ASSIGNMENTS

Assessment of competence is established by observation of contribution and participation during case study exercises and group discussion. Follow-up assignments are not part of this workshop offering, but may be designed and conducted upon request.
